

## REFERRALS

Referrals for children and youth under 18 years of age to SDRC and other developmental service agencies in our region are facilitated by our intake team.

Referrals are accepted from clients and families (or those acting on their behalf).

Referral forms may be obtained by contacting the main office of SDRC at: 519-741-1121, or by visiting our website at: <http://www.sdrc.ca>

Upon receipt of your completed referral forms, an intake worker will arrange an appointment to discuss the referral request in further detail.

For referrals for youth and adults 18 years and older, eligibility for developmental services must first be determined by Developmental Services Ontario. You can contact them at 519-894-1153. Once eligibility is determined a referral for services will be forwarded to SDRC on your behalf.
