

Ask a Speech-Language Pathologist

As part of our foundational supports,
Sunbeam Developmental Resource Centre provides.
“Ask a Speech-Language Pathologist” consultation.

This support is available to parents/caregivers of children with autism up to age 6 years who are on the Foundational Family Services registry and a client of Sunbeam Developmental Resource Centre.

Hosted by Lorraine Otto, Speech-Language Pathologist, Reg. CASLPO

Each session will have a short presentation and then will be open to your questions about how to help your child’s speech and language skills.

Topics addressed could include:

- How to help your child’s comprehension of language?
- What to do if your child is not talking.
- How to encourage communication at home.
- Using music and games to teach communication.
- How do I help my child who repeats everything? (echolalia)

The session is one hour in length.
There is no fee for this service.
