

April 13, 2026
6 pm to 7pm

Virtual
Ask A SLP About
Augmentative
and Alternative
Communication (AAC)

Presenter: Tess Farrington,
Communicative Disorders Assistant
and
Lorraine Otto, Speech-Language
Pathologist

Appropriate for:
Parents and caregivers
of individuals with
autism and
developmental
disabilities

Learn about augmentative communication and how it can enhance comprehension and serve as a means of expression. Discover the various types of AAC systems available and the differences between AAC apps. Get suggestions for getting started with AAC.
