Overview

SDRC is the single point of access to developmental services for families living in Waterloo Region. The agency offers a range of professional and support services to children and youth under the age of 18 years with an intellectual disability or an autism spectrum disorder. SDRC is funded by the Ministry of Children, Community, and Social Services and there are no fees for the vast majority of services provided by the agency.

The SDRC team is comprised of qualified professionals in the areas of:

- ▶ Behaviour Consultation
- ▶ Speech/Language Consultation
- ▶ Children's Service Coordination
- ▶ ABA Therapy (fee-for-service)
- ▶ FASD Coordination
- ▶ Social Work Consultation
- ▶ Health Care Consultation
- ▶ Resource/Family Support Navigation
- ▶ Coordinated Service Planning

SDRC Services

SDRC's Clinical Services

► Behaviour Consultation

- Consultants help parents/care providers to work through difficult behaviours
 - **In-home mediator model consultation** is available for behaviours that are causing physical harm to self or others. Referrals are made through a SDRC consultant
 - Participation in a 3-part Parent Workshop series (children 6 and under) or 1-hour Parent Education Workshop (children 7+) is required, as well as two weeks of data collection
 - A parent coaching model supports the use of positive interventions such as positive reinforcement and modelling
 - Consultants help people understand why unwanted behaviour occurs and offer suggestions about ways to change the situation in which the behaviour occurs (e.g., changing routines or home environment)
- **Ask A Behaviour Consultant - virtual group consultation** is offered monthly (September to June) to support behaviour concerns. Referral is made by parent/care provider by calling/emailing Rehana Khanam at 519-741-1121 ext. 2201 or r.khanam@sunbeamcommunity.ca

SDRC's Clinical Services

► Autism Behaviour Consultation

- Offered to youth with an autism spectrum disorder between the ages of 14 and 21 years
- The goal of behaviour consultation is to help individuals and their caregivers work through behavioural difficulties
- The consultant will coach the caregiver to support the individual through the use of positive interventions

► Groups:

- Autism Social Skills Group: 6-week social skills group for children/youth between **11 and 17 years old**. The groups run on Tuesday evenings from 5-6:30 pm at Sunbeam's Hanson Ave. location (Spring, Fall & Winter)
- Autism Monthly Social Group: Monthly social group for youth **14-17** with ASD/no intellectual disability. Individuals must be independent. The group meets every 2nd Wednesday of the month (Sept-June) from 5-6:30 pm at Sunbeam's Hanson Ave. location with every other month being a community outing

SDRC's Clinical Services

► Counselling Services

- Our counselling services are provided to help people cope with the struggles related to having a diagnosis of an intellectual disability and/or autism
- SDRC offers counselling to young people (ages 12+ typically) and adults with an intellectual disability and/or autism as well as caregivers and siblings of individuals with intellectual disabilities and/or autism. This can be in the form of groups, one-to-one sessions, or meetings with multiple family members

Groups include:

- **Mothers' 6-week Group** - Mothers have a chance to meet with other mothers who may be experiencing similar challenges. The group meets once per week for 6 weeks on Thursdays from 10:00-11:30 am or Wednesdays from 7:00-8:30 pm. These groups are offered twice per year in the Fall and in the Spring
- **Mothers' Monthly Group** - Once mothers have completed the weekly group they may choose to move to attending a monthly group for continued support. This group meets from September to June and is offered on the last Friday of the month from 10:00-11:30 am or the last Tuesday of every month from 7:00-8:30 pm. **Direct entrance to the monthly group is also possible**
- **Fathers' Monthly Group** - This group meets on the third Tuesday of the month from 6:30-8:00 pm between September and June. Fathers have a chance to meet with other fathers and share their experiences and challenges of raising a child with a disability
- **Autism Siblings' Group** – Cofacilitated with the Autism Behaviour Consultant; siblings (11-15 years) meet once a week for six weeks to discuss issues relating to having a sibling with a disability

Sunbeam Community & Developmental Services

► Sunbeam's Specialized Dental Clinic – “My Dental Clinic”

A consulting dentist and dental hygienist provide assessment, preventative, and restorative treatment to people supported in Sunbeam's care homes, and to people living with their families or other agencies in our community.

Individuals with developmental disabilities who are eligible to receive services at Sunbeam Specialized Dental Service include:

- Children up to the age of 17, who are registered with Healthy Smiles Ontario,
 - Adults between the ages of 18-64, who have ODSP benefits,
 - Seniors, over the age of 65, who have private insurance.
- To book an appointment with the clinic, please contact Sunbeam's Kingsway Reception at 519-893-6200 to receive a Patient Registration Form. Appointment can be confirmed once the Form is completed and returned.

Sunbeam Community & Developmental Services

► Sunbeam's Children and Youth Psychiatry Clinic with Dr. Peter Cordell

Clinic focus is primarily medication management.

► Eligibility

SDRC will confirm eligibility for anyone aged 1-18 years who meets A, B, & C:

- A. Developmental disorder as defined as one of the following:
 - Intellectual disability diagnosed by a psychologist
 - Autism spectrum disorder diagnosed by psychologist/psychiatrist/pediatrician
- B. One of the following:
 - Current significant symptoms related to diagnosed mental health issues (e.g., anxiety, attention/hyperactivity, depression, etc.) with inadequate response to treatment with a family physician, pediatrician, or psychiatrist
 - Current or recent aggression and/or self-injurious behaviour.
- C. Client, Family, and Clinical team have the impression that consideration of medication support is needed.

If the client already has a psychiatrist, Dr. Cordell can be accessed under certain circumstances. This will be determined on a case-by-case basis by the Clinic Team.

- To make a referral to the Clinic, speak with your Intake Worker, Resource Consultant or Service Coordinator at SDRC. A "Primary Care Referral Request" letter will be faxed to your child's primary physician for completion. Once returned and deemed appropriate, a Clinic appointment will be booked.

Additional SDRC Services
